No	Question	Answer
1.	<p>In order to optimally prepare this EoI, we would like to know whether the subject of this specific project, is the actual implementation of NCTS into the Serbian Customs System, or whether this project concerns the preparations and creating the conditions to introduce NCTS. This was not entirely clear from the Service Procurement Notice.</p> <p>In case this project only concerns the preparation, we assume that there will be another project in the future that will actually entail the deployment of NCTS.</p> <p>Could you please clarify the exact subject of this tender?</p>	<p>The project is expected to enhance the administrative capacity of the Customs Administration of the Republic of Serbia in order to be ready for the full implementation of the common EU transit procedure.</p> <p>The project provide assistance to</p> <ol style="list-style-type: none"><li>1. Enhance the quality of regulatory and operational Customs business, with the capacities to meet the requirements for the introduction of an NCTS-compatible transit system.</li><li>2. Introduce modern technical capacities for data exchange with Member States of the Convention on Common Transit / NCTS.</li><li>3. Introduce the conditions for joining the Convention on Common Transit and a faster and more transparent transit procedure.</li></ol>
