1	<p>Since this project will provide technical assistance to the Ministry of Economy and Regional Development with the overall objective to achieve more balanced territorial socio-economic development in Serbia, does it mean that Ministry of Economy and Regional Development will make a consortium and implement this project, or that can be done by, for example, the Association of the businessmen of small and medium enterprises or any Legal person? This question I would ask for all other tender.</p>	<p>The Ministry of Economy and Regional Development is the Beneficiary of the project. The project will therefore be implemented by the successful tenderer.</p> <p>In accordance with Procurement Notice, point 11 <i>Eligibility</i>:</p> <p>Participation is open to all legal persons [participating either individually or in a grouping (consortium) of candidates] which are established in a Member State of the European Union or in a country or territory of the regions covered and/or authorised by the specific instruments applicable to the programme under which the contract is financed (see also item 30 below). Participation is also open to international organisations. The participation of natural persons is governed by the specific instruments applicable to the programme under which the contract is financed."</p>
