12. **Candidature:**
All eligible natural and legal persons (as per item 11 above) or groupings of such persons (consortia) may apply. A consortium may be a permanent, legally-established grouping or a grouping which has been constituted informally for a specific tender procedure. All members of a consortium (i.e. the leader and all other members) are jointly and severally liable to the contracting authority.
The participation of an ineligible natural or legal person (as per item 11) will result in the automatic exclusion of that person. In particular, if that ineligible person belongs to a consortium, the whole consortium will be excluded.

Selection and award criteria

21. **Selection criteria:**

Same criteria for legal and natural person.

The following selection criteria will be applied to candidates. In the case of applications submitted by a consortium, these selection criteria will be applied to the consortium as a whole:

1) Economic and financial capacity of candidate:

In the case of the applicant being a public body equivalent information should be provided:

1. the annual turnover of the candidate for the years 2007, 2008 and 2009 must be equal to or exceed 2 000 000 EUR;

2. the cash and cash equivalents of the candidate at the end of the years 2007, 2008 and 2009 are positive.

2) Professional capacity of candidate:

1. at least 5 employees currently working for the candidate in fields related to this contract (provision of palliative health care).

3) Technical capacity of candidate:

1. the candidate has successfully completed at least 1 project in the field related to this contract (provision of palliative health care) with the budget of at least 900 000 EUR (the applicant has implemented at least 50 % of the value) during the past 3 years until the submission deadline of this application.

An economic operator may, where appropriate and for a particular contract, rely on the capacities of other entities, regardless of the legal nature of the links which it has with them. It must in that case prove to the contracting authority that it will have at its disposal the resources necessary for performance of the contract, for example by producing an undertaking on the part of those entities to place those resources at its disposal. Such entities, for instance the parent company of the economic operator, must respect the same rules of eligibility and notably that of nationality, as the economic operator.

If more than 8 eligible candidates meet the above selection criteria, the relative strengths and weaknesses of the applications of these candidates must be re-examined to identify the 8 best applications for the tender procedure. The only factors which will be taken into consideration during this re-examination are:

the total number of projects implemented by the candidate according to criterion 3;

in case of competition between 2 or more candidates having the same number of eligible projects, the candidates will be ranked in descending order according to the total amount of the value implemented of the eligible projects.

22. **Award criteria:**
