

CORRIGENDUM No. 1
PROCUREMENT NOTICE

Strengthening of the Serbian Market Surveillance system for non-food and food products

Publication Ref: EuropeAid/130332/C/SER/RS

10SER01/19/11

The following alterations and/or corrections are made:

(1) to the article 7 Contract description of the Procurement Notice

The former text:

The overall objective of the project is to contribute to a high level of protection of consumers in Serbia. The market surveillance system in Serbia should be able to effectively and efficiently perform its tasks and responsibilities under the new legislation for product safety and food safety, and to protect against products that pose serious threats to health, safety and the environment.

Shall read as new text:

The overall objective of the project is to contribute to a high level of protection of consumers in Serbia. The market surveillance system in Serbia should be able to effectively and efficiently perform its tasks and responsibilities under the new legislation for product safety and food safety, and to protect against products that pose serious threats to health, safety and the environment.

The assistance will include support to the following activities: (1) The new rules and regulations according to the Acquis Communautaire for products safety, especially of non-food products including consumer products, should be added to the Serbian legal framework for product safety through transposition of EU regulations and directives; (2) Enhancement of management and administrative capacities of market surveillance authorities, improvement of joint coordination on implementation of Serbian Market Surveillance Strategy, policies and planning as well as improvement of cooperation with stakeholders and (3) Enhancement of operational capabilities of market surveillance authorities for enforcement of activities and undertaking of measures in the area of market surveillance in compliance with harmonized legislation as well as improvement of inspection skills and procedures.

(2) to the article 21 Selection criteria , subarticle 3) Technical capacity of candidate of the Procurement Notice

The former text:

1) Highest number of completed, relevant projects found eligible under point 21.3

2) Total numerical value of candidate's proportion in all eligible projects under Article 21.3 (a).

CORRIGENDUM No. 1
To the
PROCUREMENT NOTICE
