CONTRACTING AUTHORITY'S CLARIFICATIONS

Project title: "Strengthening the institutional capacity of the Serbian Tax Administration by TA to design efficient support system for the tax collection function and efficient financial and material accounting management "

Publication ref.: EuropeAid/131329/C/SER/RS

Tender no.: 11SER01/04/11

No	Question	Answer
1	<p>If an economic operator wants to rely on technical capacities of other legal entities within a group (i.e. sister or parent company) by submitting their references would the following statements/documents be sufficient:</p> <ul style="list-style-type: none">• Sister/parent company is established in EU member state or other country which is eligible to participate• List of references of sister/parent company in required format• Sworn statement of sister/parent company that an economic operator will have at its disposal the resources necessary for performance of the contract	<p>A candidate/tenderer may, where appropriate and for a particular contract, rely on the capacities of other entities, regardless of the legal nature of the links which it has with them.</p> <p>Such entities, for instance the parent company of the candidate/tenderer, must respect the same rules of eligibility and notably that of nationality, as the candidate/tenderer. Furthermore, the data for this third entity for the relevant selection criterion should be included in the application/tender in a separate document. Proof of the capacity will also have to be furnished when requested by the Contracting Authority.</p>
2	<p>Will the references for the projects of designing and implementing financial and material accounting management systems + adequate reporting system be accepted if those systems are implemented in other institutions (not Tax Administration)?</p>	<p>Procurement notice section 21.3.1 states that the candidate has completed (i.e. where the final report has been approved) at least 3 projects (the candidate's proportion at or greater than 500 000 EUR for services in each project) in at least two of the required areas of expertise described in Article 7 carried out within the 3-year period prior to the closing date of submission of the application.</p>
