

**CORRIGENDUM No. 1 to  
PROCUREMENT NOTICE**

**Technical Assistance to the Customs Administration of Serbia to Support the  
Modernisation of the Customs System**

**Publication Ref: EuropeAid/131367/C/SER/RS**

**Tender no: 11SER01/05/11**

**The following alterations and/or corrections are made:**

**1. The Section 7 Contract description:**

*The project aims at development of an NCTS-compatible national transit application and guarantee management system, implementation of an IT risk management system based on risk management techniques and methodology, implementation of an authorised economic operator system and performance of a feasibility study in order to set priorities to improve the Serbian customs control procedures and methodology applicable to transport by rail, river and air. For the realisation of the goals of this project the required information systems shall be designed, developed, and deployed, automating the main business processes.*

Shall read as follows:

*The project aims to provide technical assistance to the Customs Administration of Serbia (CAS) to strengthen its administrative capacity in the following areas:*

- implementation of a new customs transit system (NCTS) compatible national transit application and Guarantee management system;*
- implementation of an information and technology (IT) management system based on risk management techniques and methodology;*
- implementation of an Authorised Economic Operator system (AEO)*
- establishment of a set of priorities to improve the Serbian customs control procedures and methodology applicable to transport by rail, river and air.*

*For the realisation of these goals the project involves performance of design, development, deployment and automatisation of the main processes.*

**2. The following section (21 Selection Criteria, 1) Economic and financial capacity of candidate):**

*1. the average annual turnover of the candidate for the years 2008, 2009 and 2010 must be at least 6 000 000EUR;*

shall read:

*1. the average annual turnover of the candidate for the years 2008, 2009 and 2010 must be at least 4 100 000EUR;*

**3. The following section should be deleted (21 Selection Criteria, 1) Economic and financial capacity of candidate)**

*2. the averages of cash and cash equivalents for the years 2008, 2009 and 2010 at the beginning and end of year are positive.*
