<b>No</b>	<b>Question</b>	<b>Answer</b>
1	<p>In connection with prepared project of construction and commissioning of the new waste water treatment plant at TPP Nikola Tesla B, I would like to check if it's possible to participate also for the entity, which is located in South Korea.</p> <p>In the project summary published on TED Europa, there is mentioned that:</p> <p>"Participation is open to all legal persons participating either individually or in a grouping (consortium) of tenderers which are established in a Member State of the European Union or in a country or territory of the regions covered and/or authorised by the specific instruments applicable to the programme under which the contract is financed."</p>	<p>Eligibility and rules of origin do not allow the possibility to take part in this tender with goods manufactured in South Korea. Same rules do not allow entities registered in South Korea to participate in this tender procedure. Please observe the provisions of article 8 of the Procurement Notice on the Eligibility and rules of origin.</p>
